

A number of drug companies have patient assistance programs and independent websites to help individual's access specific medications.

These programs offer certain medications at a discount or for free to people who cannot afford them. All major drug companies have patient assistance programs.

The Epilepsy Foundation provides these details for informational purposes only. These programs are not run by the Foundation.

Please contact the manufacturer of your epilepsy medication if you don't see it listed.

**The following are Web sites for information regarding medication assistance:**

**NeedyMeds**

[www.needymeds.org](http://www.needymeds.org) or (800) 503-6897

NeedyMeds.org is a private nonprofit web site that lets you search for patient assistance programs by drug name. For each drug on the list, NeedyMeds.org gives the program name, phone number, application link, eligibility guidelines, application requirements, and program details.

**Partnership for Prescription Assistance**

[www.pparx.org](http://www.pparx.org) or (888) 477-2669

The Partnership for Prescription Assistance (PPA) is a joint effort of American drug companies, medical organizations, and government agencies to inform patients about patient assistance programs. The PPA offers a toll-free helpline as well as online application wizard and program information.

**PatientAssistance.com**

[www.PatientAssistance.com](http://www.PatientAssistance.com)

This is a free resource designed to help connect patients who cannot afford their prescription medications with patient assistance programs.

**RX Hope**

[www.rxhope.com](http://www.rxhope.com) or (877) 267-0517

This website provides information on patient assistance programs available for each medication.

**RxAssist**

[www.rxassist.org](http://www.rxassist.org)

This is a website with information, news, and a database that are all designed to help you find out about ways to get affordable, or free medications. The database includes information on the pharmaceutical companies' patient assistance programs, or programs that provide free medication to low-income patients. RxAssist was created by Volunteers in Health Care, a national, nonprofit resource center for health care programs working with the uninsured. Email: [info@rxassist.org](mailto:info@rxassist.org).

**Veteran's Affairs Veteran's Benefits**

[www.va.gov](http://www.va.gov)

This website provides information about benefits for veterans.
